

The advertising decals, logos, driver name and starting numbers as specified by the Series Organiser, must be affixed to all competing vehicles during the free practice, qualifying sessions and races of the Series. The size, type, quantity and positioning are determined and announced in the "Sticker Regulations 2019". The sticker regulations are agreed on with the RACB. The "Sticker Regulation 2019" are part of these Regulations. Any breach of these Regulations may result in the participant concerned being disqualified from classification. All advertising surfaces that are not occupied as specified in the Sticker Regulations are available for the entrants' own advertising labels. The clearance between such advertising and the mandatory labels and starting number shall be a minimum of 30 mm. Retained for the entire season. The registered entrants will be informed about their starting numbers before the first race. The size, type, quantity and positioning shall be determined by the Series Organiser and notification is given in the "Sticker Regulations 2019". The team (entrant) is responsible for ensuring that the stickers on the entered vehicles comply with the applicable legal regulations. All mandatory stickers are provided by the PETB. Only this version of the mandatory stickers are allowed, copies of the mandatory stickers will be refused. It is forbidden to cut or to modify the dimensions of the received mandatory stickers.
